

International Conferences

2010

1. Ampawong S, Kengkoom K. Stability of Nutritional and Sterility Properties of Irradiated and Autoclaved Diets and Their Effect on the Sprague-Dawley Rat 61st AALAS National Meeting 2010. (10-14 Oct 2010):154. Atlanta, Georgia.

Department : Office of Veterinary Medical Care

Author's Status : Academic Staff

Abstract / Full text Available on Proceeding

2. Likitsontonwong W, Ampawong S. The Effects of Using Tramadol Hydrochloride as Preoperative Analgesia on the Anesthetic Impact of Tiletamine/Zolazepam in Sprague-Dawley Rat. 61st AALAS National Meeting 2010. (10-14 Oct 2010):183. Atlanta, Georgia.

Department : Office of Veterinary Medical Care

Author's Status : Academic Staff

Abstract / Full text Available on Proceeding

3. Ketjareon T, Ampawong S, Likitsuntonwong W, Singha O, Panavechkijkul Y, Klincomhum A, et al. Carcinosarcoma in Heterozygous BALB/cMlac Nude Mouse. The 4th AFLAS Congress Meeting. (9-11 Nov 2010). Taipei.

Department : Office of Veterinary Medical Care

Author's Status : Academic Staff

[Abstract](#) / Full text

4. Likitsuntonwong W, Ampawong S, Singha O, Ketjareon T, Panavechkijkul Y, Klincomhum A, et al. Malignant Schwannoma in Heterozygous BALB/cMlac Nude Mouse. The 4th AFLAS Congress Meeting. (9-11 Nov 2010). Taipei.

Department : Office of Veterinary Medical Care/ Division of Quality Monitoring

Author's Status : Academic Staff

[Abstract](#) / Full text

5. Sa-ardrit M, Pratipnatalang N, Faisaikarm T, Potipitak T, Chantip S, Chariyahpongpun P, et al. Study on Embryo Transfer in Thalassemia Transgenic Mouse at National Laboratory Animal Center. The 4th AFLAS Congress Meeting. 2010;(9-11 Nov 2010). Taipei.

Department : Laboratory Animals Production

Author's Status : Academic Staff / Scientist

[Abstract](#) / Full text

6. Sawadquan P, Chantip S, Khamleng P, Chormanee P, Buaban T, Changklin B, et al. Efficiency of Double Layer Paper Box with Wire Mesh for Transportation of Laboratory Animal. The 4th AFLAS Congress Meeting. (9-11 Nov 2010). Taipei.

Department : Laboratory Animals Production

Author's Status : Academic Staff / Scientist

[Abstract](#) / Full text

7. Roongrotchinda K, Chantip S, Ampawong S, Chaimongkolnukul K, Sawadquan P, Kengkoom K. Reproductive Performance Index of Outbred Wistar Rat in 41st – 50th Generation at National Laboratory Animal Center, Mahidol University. The 4th AFLAS Congress Meeting. (9-11 Nov 2010). Taipei.

Department : Laboratory Animals Production/ Office of Veterinary Medical Care

Author's Status : Academic Staff / Scientist

[Abstract](#) / Full text

8. Inpukaew R, Thongsiri P, Yuthaworawit N, Potipitak T, Wisawato W, Chariyahpongpun P, et al. Monitoring of Health Status in Inbred and Outbred Mice at the National Laboratory Animal Center, Mahidol University, Thailand. The 4th AFLAS Congress Meeting. (9-11 Nov 2010). Taipei.

Department : Division of Quality Monitoring/ Laboratory Animals Production

Author's Status : Academic Staff / Scientist

[Abstract](#) / Full text

9. Butadej D, Potipitak T, Inpukaew R, Kengkoom K. Serum Chemistry Value in 2009 of Sprague-Dawley Rat at the National Laboratory Animal Center, Mahidol University, Thailand. The 4th AFLAS Congress Meeting. (9-11 Nov 2010). Taipei.

Department : Division of Quality Monitoring

Author's Status : Academic Staff / Scientist

[Abstract](#) / Full text

10. Sukglin T, Cherdyou S. Breeding Status of Laboratory Syrian Hamster Colony Established at National Laboratory Animal Centre, Thailand. The 4th AFLAS Congress Meeting. (9-11 Nov 2010). Taipei.

Department : Research and Academic Support

Author's Status : Academic Staff / Scientist

[Abstract](#) / Full text

11. Pratipnatalang N, Saikhun J, Boonkusol D, Chantip S, Pinyopummin A. Comparisons of Straw versus Crpotube Vitrification in Mouse 2-Cell and 8-Cell Stages Embryos. The 4th

AG-BIO/PERDO Graduate Conference on Agricultural Biotechnology and UT-KU Joint Seminar. (9-10 Dec 2010):52.

Department : Laboratory Animals Production

Author's Status : Academic Staff / Scientist

Abstract / Full text Available on CD Proceeding

12. Chaovaratana R, Makemaharn O, Laokirkkiat P, Pratip na Talang N, Phornwilardsiri S, Thoka B. A comparison between two vitrification protocols for the cryopreservation of mouse oocytes using straw in straw. 3rd Congress of the Asia Pacific Initiative on Reproduction (ASPIRE 2010); 9-11 April; Bangkok, Thailand 2010.

Department : Laboratory Animals Production

Author's Status : Academic Staff / Scientist

Abstract / Full text Available on CD Proceeding
