

National Conferences

2011

1. Inpunkhaew R, Thongsiri P, Tipawan W, Duangchanchot M, Chariyahpongpun P, Kengkoom K. Health Status of Inbred and Outbred Mice at The National Laboratory Animal Center, Mahidol University. Proceedings of 49th Kasetsart University Annual Conference. (1 - 4 Feb 2011):44-50. (in Thai)

Department : Division of Quality Monitoring /Laboratory Animals Production
Author's Status : Academic Staff / Scientist

[Abstract/Full text](#)

2. Likitsuntonwong W, Ampawong S, Singha O, Ketjareon T, Kengkoom K. Anesthesia effect of tribromoethanol in different dose on ICR mice. Proceedings of 49th Kasetsart University Annual Conference. (1 -4 Feb 2011):73-8.

Department : Office of Veterinary Medical Care
Author's Status : Academic Staff

[Abstract/Full text](#)

3. Angkhasirisap W, Sangcakul A, Butadej D. Stability in various forms of control serum preparation for quality control of laboratory animal clinical chemistry analysis. Proceedings of 49th Kasetsart University Annual Conference. (1 -4 Feb 2011):29-35. (in Thai)

Department : Research and Academic Support/ Division of Quality Monitoring
Author's Status : Academic Staff

[Abstract/Full text](#)

4. Butadej D, Duangchanchot M, Inpunkaew R, Kengkoom K. Chemical parameter in healthy Sprague-Dawley and Wistar rats from National Laboratory Animal Center, Mahidol University. Proceedings of 49th Kasetsart University Annual Conference. (1 -4 Feb 2011) 322-9. (in Thai)

Department : Division of Quality Monitoring
Author's Status : Academic Staff / Scientist

[Abstract/Full text](#)

5. Klincomhum A, Kengkoom K, Ampawong S. Comparison of decalcification methods for adult rat calvarium bone in relation to histomorphoogical study. Proceedings of 49th Kasetsart University Annual Conference. (1 -4 Feb 2011):120-6. (in Thai)

Department : Division of Quality Monitoring/ Office of Veterinary Medical Care
Author's Status : Academic Staff

[Abstract/Full text](#)

6. Roongrotchinda K, Ampawong S, Chantip S, Sawadquan P, Khumlue P, Kengkoom K. Reproductive Performance Index of Outbred Sprague Dawley Rat in 37th – 45th Generation at National laboratory Animal Center, Mahidol University. Proceedings of 49th Kasetsart University Annual Conference. (1 -4 Feb 2011):573-7. (in Thai)

Department : Laboratory Animals Production/ Office of Veterinary Medical Care

Author's Status : Academic Staff / Scientist

[Abstract/Full text](#)

7. Sa-ardrit M, Faisaikarm T, Boonkusol D, N Pratiptanatalang, Chantip S, Chariyapongpun P, et al. Embryo Cryopreservation and Transfer of Thalassemia Transgenic Mouse. Proceedings of 49th Kasetsart University Annual Conference. (1 -4 Feb 2011):258-64. (in Thai)

Department : Laboratory Animals Production

Author's Status : Academic Staff / Scientist

[Abstract/Full text](#)

8. Sukglin T. Hematological and clinical chemistry of sheep at National Laboratory Animal Centre. Proceedings of 49th Kasetsart University Annual Conference. (1 -4 Feb 2011):36-41. (in Thai)

Department : Research and Academic Support

Author's Status : Academic Staff

[Abstract/Full text](#)

9. Wisawato W, Yutaoravit N, Chaimongkolnukul K, Roongrotchinda K, Chariyahpongpan P, Khamleng P, et al. Microbiological Air Quality in Laboratory Animal Room and Supporting Area National Laboratory Animal Center, Mahidol University. Proceedings of 49th Kasetsart University Annual Conference. (1 -4 Feb 2011):353-9.

Department : Division of Quality Monitoring/ Laboratory Animals Production

Author's Status : Academic Staff / Scientist

[Abstract/Full text](#)

10. สมพงษ์ เข็ดออยู่, พุทธิชาติ เมฆทอง, สุวิน อภิชาติพัฒนศิริ. การจัดการของเสียจากโรงเพาะเลี้ยงสัตว์ทดลองเพื่อลดภาวะโลกร้อน. การประชุมวิชาการระดับชาติ เรื่องประเทศไทยกับภูมิอากาศโลก ครั้งที่ 2 : การเปลี่ยนกระบวนทัศน์สู่เศรษฐกิจสีเขียว; 2554 18-19 ส.ค.

บทคัดย่อ และเรื่องเต็มในรายงานการประชุม
